Highlights

High performance trimmer
Create perfect stubble or clean lines around the edge of your beard. The full metal guard on this high performance trimmer delivers a professional look.

Detail trimmer
Create the fine lines and details that define your style with the detail trimmer.

Beard & mustache comb
Keep your beard at the length you prefer. Choose from 18 length settings in 1/32"/ 1mm steps by using the beard & mustache comb on the full-sized trimmer.

Bodygroom shaver
The Bodygroom shaver is designed for a gentle and comfortable shave on any area below the neck. Trim and shave in one stroke for a completely smooth finish. The shaver head is made with a hypo-allergenic foil and has patented rounded tips to protect your skin while shaving.

Body-trimming comb
Trim your body hair to the length you prefer by selecting between 10 different length settings on the body-trimming comb.

Nose trimmer
Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on rotary trimmer

Detail & eyebrow comb
For detailing finer lines and eyebrows

Water resistant
With its water-resistant design, this grooming kit can be rinsed under the tap to make cleaning even easier.

Skin-friendly,high-performance
Guaranteed best results with precision heat-treated blades made of finely ground Chromium steel.Self-sharpening blades ensure long-lasting performance while rounded blade tips and combs prevent skin irritation.

Quick charge
High performance battery with 50 min usage after only 1 hour charge. Also features a 5 min quick charge for one complete trim, or corded use with endless power.

Turbo power
Get fast results on thick hair with the turbo setting, which increases cutting speed.

Battery light
Glance at the battery light to know when the battery is low or fully charged. When you have 10 minutes of usage left, the indicator light is orange. When charging, the indicator light is blinking; you'll see a steady green light when the battery is fully charged.
